# ELITE RTU

Merkrete® Elite RTU Grout is a premium, ready-to-use grout designed for commercial and residential installations with porcelain, ceramic and natural-stone tiles, glass tile, Gauged Porcelain Tile Panels and Slabs (GPT), luxury vinyl tile (LVT), luxury vinyl plank (LVP). Elite RTU can be used to grout interior and exterior applications, as well as intermittent wet conditions such as bathtub, surrounds, shower walls, and shower floors. It is formulated using colored quartz technology, which ensures color consistency, excellent stain resistance, ease of cleanability and improved workability. In addition, this grout will not effloresce and does not require sealing. Used for grout joints from 1/16" to 1/2" (1.5 to 13 mm).
